EXPERIENCE

GAO Tek Inc, USA.

2025 – Present

Web Developer:

- Managed and maintained a WooCommerce-based e-commerce website, ensuring mobile responsiveness, security, and consistent uptime through regular troubleshooting.
- Implemented automation features like AJAX search and dynamic forms, improving user experience and reducing input errors by 40%.
- Collaborated with marketing to enhance UI/UX and optimize performance, resulting in a 20% increase in user engagement and lower bounce rates.

SkyeStudio, Nigeria.

2024 - Present

Full Stack Developer:

- Developed and maintained a responsive browser-based video editor using React, TypeScript, and Konva.js, ensuring cross-device functionality and stability.
- Automated key editing tasks with real-time customization tools, export features, and dynamic layer logic, boosting user efficiency by 30% and reducing errors.
- Improved UI/UX through usability testing and integration of third-party tools, increasing user satisfaction by over 40% and enhancing overall functionality.

Netelou International, Nigeria.

2023

Frontend Developer:

- Optimized website SEO, speed, and mobile usability, leading to a 35% increase in organic traffic and an 18% reduction in cart abandonment.
- Customized WordPress and WooCommerce functionalities for inventory, checkout, and third-party integrations, boosting transaction success by 15%.
- Automated content updates and testing cycles, accelerating launch timelines and ensuring compliance with industry standards for reliability and trust.
